### GENERAL INSTRUCTIONS

#### **I. Eligibility Requirements for Use of Form SF-3.**

This instruction sets forth registrant requirements and transaction requirements for the use of Form SF-3. Any registrant which meets the requirements of I.A. below (“Registrant Requirements”) may use this Form for the registration of asset-backed securities (as defined in 17 CFR 229.1101(c)) under the Securities Act of 1933 (“Securities Act”) which are offered in any transaction specified in I.B. below (“Transaction Requirements”) provided that the requirements applicable to the specified transaction are met. Terms used in this Form have the same meaning as in Item 1101 of Regulation AB.

A. Registrant Requirements. Registrants must meet the following conditions in order to use this Form SF-3 for registration under the Securities Act of asset-backed securities offered in the transactions specified in I.B. below:

1. To the extent the depositor or any issuing entity previously established, directly or indirectly, by the depositor or any affiliate of the depositor (as defined in Item 1101

of Regulation AB (17 CFR 229.1101)) is or was at any time during the twelve calendar months and any portion of a month immediately preceding the filing of the registration statement on this Form required to comply with the transaction requirements in General Instructions I.B.1(a), I.B.1(b), I.B.1(c), and I.B.1(d) of this Form with respect to a previous offering of asset-backed securities involving the same asset class, the following requirements shall apply:

(a) Such depositor and each such issuing entity must have filed on a timely basis all certifications required by I.B.1(a);

(b) Such depositor and each such issuing entity must have filed on a timely basis all transaction agreements containing the provisions that are required by I.B.1(b), I.B.1(c), and I.B.1(d); and

(c) If such depositor or issuing entity fails to meet the requirements of I.A.1(a) and I.A.1(b), such depositor or issuing entity will be deemed to satisfy such requirements for purposes of this Form SF-3 90 days after the date it files the information required by I.A.1(a) and I.A.1(b).

Instruction to General Instruction I.A.1: The registrant must provide disclosure in a prospectus that is part of the registration statement that it has met the registrant requirements of I.A.1.

2. To the extent the depositor or any issuing entity previously established, directly or indirectly, by the depositor or any affiliate of the depositor (as defined in Item 1101 of Regulation AB (17 CFR 229.1101)) is or was at any time during the twelve calendar months and any portion of a month immediately preceding the filing of the registration statement on this Form SF-3 subject to the requirements of section 12 or 15(d) of the Exchange Act (15 U.S.C. 78l or 78o(d)) with respect to a class of asset-backed securities involving the same asset class, such depositor and each such issuing entity must have filed all material required to be filed regarding such asset-backed securities pursuant to section 13 or 15(d) of the Exchange Act (15 U.S.C. 78m or 78o(d)) for such period (or such shorter period that each such entity was required to file such materials). In addition, such material must have been filed in a timely manner, other than a report that is required solely pursuant to Item 1.01, 1.02, 2.03, 2.04, 2.05, 2.06, 4.02(a), 6.01, or 6.03 of Form 8-K (17 CFR 249.308). If Rule 12b-25(b) (17 CFR 240.12b-25(b)) under the Exchange Act was used during such period with respect to a report or a portion of a report, that report or portion thereof has actually been filed within the time period prescribed by that rule. Regarding an affiliated depositor that became an affiliate as a result of a business combination transaction during such period, the filing of any material prior to the business combination transaction relating to asset-backed securities of an issuing entity previously established, directly or indirectly, by such affiliated depositor is excluded from this section, provided such business combination transaction was not part of a plan or scheme to evade the requirements of the Securities Act or the Exchange Act. See the definition of "affiliate" in Securities Act Rule 405 (17 CFR 230.405).

B. Transaction Requirements. If the registrant meets the Registrant Requirements specified in I.A. above, an offering meeting the following conditions may be registered on Form SF-3:

1. Asset-backed securities (as defined in 17 CFR 229.1101(c)) to be offered for cash where the following have been satisfied:

(a) Certification. The registrant files a certification in accordance with Item 601(b)(36) of Regulation S-K (§ 229.601(b)(36)) signed by the chief executive officer of the depositor with respect to each offering of securities that is registered on this Form.

(b) Asset Review Provision. With respect to each offering of securities that is registered on this Form, the pooling and servicing agreement or other transaction agreement, which shall be filed, must provide for the following:

(A) The selection and appointment of an asset representations reviewer that is not (i) affiliated with any sponsor, depositor, servicer, or trustee of the transaction, or any of their affiliates, or (ii) the same party or an affiliate of any party hired by the sponsor or the underwriter to perform pre-closing due diligence work on the pool assets;

(B) The asset representations reviewer shall have authority to access copies of any under-

lying documents related to performing a review of the pool assets;

(C) The asset representations reviewer shall be responsible for reviewing the underlying assets for compliance with the representations and warranties on the pool assets, and shall not otherwise be the party to determine whether noncompliance with representations or warranties constitutes a breach of any contractual provision. Reviews shall be required under the transaction documents, at a minimum, when the following conditions are met:

(1) a threshold of delinquent assets, as specified in the transaction agreements, has been reached or exceeded; and

(2) an investor vote to direct a review, pursuant to the processes specified in the transaction agreements, provided that the agreement not require more than: (a) 5% of the total interest in the pool in order to initiate a vote and (b) a simple majority of those interests casting a vote to direct a review by the asset representations reviewer;

(D) The asset representations reviewer shall perform, at a minimum, reviews of all assets 60 days or more delinquent when the conditions specified in paragraph C are met; and

(E) The asset representations reviewer shall provide a report to the trustee of the findings and conclusions of the review of the assets.

#### **Instruction to I.B.1(b).**

The threshold of delinquent assets shall be calculated as a percentage of the aggregate dollar amount of delinquent assets in a given pool to the aggregate dollar amount of all the assets in that particular pool, measured as of the end of the reporting period. If the transaction has multiple sub-pools, the transaction agreements must provide that (i) the delinquency threshold shall be calculated with respect to each sub-pool and (ii) the investor vote calculation shall be measured as a percentage of investors' interest in each sub-pool.

(c) Dispute Resolution Provision. With respect to each offering of securities that is registered on this Form, the pooling and servicing agreement or other transaction agreement, which shall be filed, must provide for the following:

(A) If an asset subject to a repurchase request, pursuant to the terms of the transaction agreements, is not resolved by the end of a 180-day period beginning when notice of the request is received, then the party submitting such repurchase request shall have the right to refer the matter, at its discretion, to either mediation or third-party arbitration, and the party obligated to repurchase must agree to the selected resolution method.

(B) If the party submitting the request elects third-party arbitration, the arbitrator shall determine the allocation of any expenses. If the party submitting the request elects mediation, the parties shall mutually determine the allocation of any expenses.

(d) Investor Communication Provision. With respect to each offering of securities that is registered on this Form, the pooling and servicing agreement or other transaction agreement, which shall be filed, must contain a provision requiring that the party responsible for making periodic filings on Form 10-D (§ 249.312) include in the Form 10-D any request received during the reporting period from an investor to communicate with other investors related to investors exercising their rights under the terms of the transaction agreements. The disclosure regarding the request to communicate is required to include no more than the name of the investor making the request, the date the request was received, a statement to the effect that the party responsible for filing the Form 10-D has received a request from such investor, stating that such investor is interested in communicating with other investors with regard to the possible exercise of rights under the transaction agreements, and a description of the method other investors may use to contact the requesting investor.

**Instruction to I.B.1(d).** If an underlying transaction agreement contains procedures in order to verify that an investor is, in fact, a beneficial owner for purposes of invoking the investor communication provision, the verification procedures may require no more than the following: (1) if the investor is a record holder of the securities at the time of a request to communicate, then the investor will not have to provide verification of ownership, and (2) if the investor is not the record holder of the securities, then the person obligated to make the disclosure may require no more than a written certification from the investor that it is a beneficial owner and one other form of documentation such as a trade confirmation, an account statement, a letter from the broker or dealer, or other similar document.

(e) Delinquent assets. Delinquent assets do not constitute 20% or more, as measured by dollar volume, of the asset pool as of the measurement date.

(f) Residual value for certain securities. With respect to securities that are backed by leases other than motor vehicle leases, the portion of the securitized pool balance attributable to the residual value of the physical property underlying the leases, as determined in accordance with the transaction agreements for the securities, does not constitute 20% or more, as measured by dollar volume, of the securitized pool balance as of the measurement date.

2. Securities relating to an offering of asset-backed securities registered in accordance with General Instruction I.B.1. where those securities represent an interest in or the right to the payments of cash flows of another asset pool and meet the requirements of Securities Act Rule 190(c)(1) through (4) (17 CFR 230.190(c)(1) through (4)).

## **II. Application of General Rules and Regulations.**

A. Attention is directed to the General Rules and Regulations under the Securities Act, particularly Regulation C thereunder (17 CFR 230.400 to 230.499). That Regulation contains general requirements regarding the preparation and filing of registration statements.

B. Attention is directed to Regulation S-K (17 CFR Part 229) for the requirements applicable to the content of the non-financial statement portions of registration statements under the Securities Act. Where this Form SF-3 directs the registrant to furnish information required by Regulation S-K and the item of Regulation S-K so provides, information need only be furnished to the extent appropriate. Notwithstanding Items 501 and 502 of Regulation S-K, no table of contents is required to be included in the prospectus or registration statement prepared on this Form SF-3. In addition to the information expressly required to be included in a registration statement on this Form SF-3, registrants also may provide such other information as they deem appropriate.

C. Where securities are being registered on this Form SF-3, Rule 456(c) permits, but does not require, the registrant to pay the registration fee on a pay-as-you-go basis and Rule 457(s) permits, but does not require, the registration fee to be calculated on the basis of the aggregate offering price of the securities to be offered in an offering or offerings off the registration statement. If a registrant elects to pay all or a portion of the registration fee on a deferred basis, the Fee Table in the initial filing must identify the classes of securities being registered and provide that the registrant elects to rely on Rule 456(c) and Rule 457(s), but the Fee Table does not need to specify any other information. When the registrant amends the Fee Table in accordance with Rule 456(c)(1)(ii), the amended Fee Table must include either the dollar amount of securities being registered if paid in advance of or in connection with an offering or offerings or the aggregate offering price for all classes of securities referenced in the offerings and the applicable registration fee.

D. Information is only required to be furnished as of the date of initial effectiveness of the registra-

tion statement to the extent required by Rule 430D. Required information about a specific transaction must be included in the prospectus in the registration statement by means of a prospectus that is deemed to be part of and included in the registration statement pursuant to Rule 430D, a post-effective amendment to the registration statement, or a periodic or current report under the Exchange Act incorporated by reference into the registration statement and the prospectus and identified in a prospectus filed, as required by Rule 430D, pursuant to Rule 424(h) or Rule 424(b) (§ 230.424(h) or § 230.424(b) of this chapter).

### **III. Registration of Additional Securities Pursuant to Rule 462(b).**

With respect to the registration of additional securities for an offering pursuant to Rule 462(b) under the Securities Act, the registrant may file a registration statement consisting only of the following: the facing page; a statement that the contents of the earlier registration statement, identified by file number, are incorporated by reference; required opinions and consents; the signature page; and any price-related information omitted from the earlier registration statement in reliance on Rule 430A that the registrant chooses to include in the new registration statement. The information contained in such a Rule 462(b) registration statement shall be deemed to be a part of the earlier registration statement as of the date of effectiveness of the Rule 462(b) registration statement. Any opinion or consent required in the Rule 462(b) registration statement may be incorporated by reference from the earlier registration statement with respect to the offering, if:

- (i) such opinion or consent expressly provides for such incorporation; and
- (ii) such opinion relates to the securities registered pursuant to Rule 462(b). *See* Rule 439(b) under the Securities Act [17 CFR 230.439(b)].

### **IV. Registration Statement Requirements.**

Include only one form of prospectus for the asset class that may be securitized in a takedown of asset-backed securities under the registration statement. A separate form of prospectus and registration statement must be presented for each country of origin or country of property securing pool assets that may be securitized in a discrete pool in a takedown of asset-backed securities. For both separate asset classes and jurisdictions of origin or property, a separate form of prospectus is not required for transactions that principally consist of a particular asset class or jurisdiction which also describe one or more potential additional asset classes or jurisdictions, so long as the pool assets for the additional classes or jurisdictions in the aggregate are below 10% of the pool, as measured by dollar volume, for any particular takedown.
