Future ASLRP payments cannot be issued until proof of correction is provided to OARM. OARM will continue to process your renewal request, but will not authorize further payments until correction is confirmed in writing.

Certification:

.

I certify that all the information I provided for ASLRP consideration is true and correct, including data provided in the Justification. I further certify that I am not in default on any qualifying Federal student loan, whether or not listed here. As part of this certification, I attest that:

- I have read and understand the Attorney Student Loan Repayment Program Policy.
- I understand that the ASLRP is an agency incentive program, not an entitlement, and is subject to availability of funds as determined solely in the discretion of the Department of Justice.

- I understand that ASLRP awards are subject to tax and withholdings, which are deducted before payment is issued to the loan holder.
- I am aware of the eligibility requirements, the "matching funds" provisions, and the requirement to continue making personal loan repayments.
- I understand that the Department does not guarantee future incentive payments beyond the initial year of selection.
- I understand that acceptance of ASLRP funding triggers a three-year service obligation and that all payments issued on my behalf (pre-tax amounts) may be recouped if I fail to complete my service agreement, and that my obligation is specifically to the Department of Justice and not to federal service in general.
- I acknowledge that periods of leave without pay or other periods in which I am not in a pay status (except absence due to uniformed service or compensable injury) do not count toward completion of my service obligation
- I certify that there are no misconduct, performance or discipline issues that render me ineligible for this program.
- I understand that I may be subject to administrative and/or disciplinary action, including but not limited to termination of the loan repayment incentive, if I provide false information.

Purpose and Uses

The main purpose for collecting the information requested on this form is to establish the terms under which an individual receives a student loan repayment benefit under the Attorney Student Loan Repayment Program. The information collected will be used as a basis for payroll actions and to identify and validate qualifying Federal student loans. Accordingly, disclosure of identifiable information, including your Social Security Number (SSN), may be made to the Internal Revenue Service for tax withholding purposes, the Department of Agriculture for payroll action, and to the Department of Labor for worker compensation claims, and to lending or educational institutions to identify and validate qualifying Federal student loans. This information may also be used by the Department of Justice for other lawful purposes including law enforcement and in the event of litigation. In addition, these records, or information therein, may also be used within the Department of Justice for study purposes, such as projection of staffing needs, and/or creation of non-identifiable statistical data for reports to other Federal agencies and Congress.

Information Regarding Disclosure of Your Social Security Account Number Disclosure of the SSN is mandatory since it is the identifier used by the Internal Revenue Service and for the withholding of taxes from your salary. The use of the SSN is necessary because of the large number of present and former employees and applicants who have identical names and birth dates, and whose identities can be distinguished only by the SSN. It is used primarily to identify an employee's personnel, leave, and pay records and to relate one to the other. In this regard, it is also used by the Department of Justice to locate records in order to respond to lawful requests for information from former employers, educational institutions, and financial or other organizations. It also may be used by the Department of Justice to identify and validate qualifying Federal student loans. The information gathered through the use of the number will be used only as necessary in personnel administration processes carried out in accordance with established regulations and published notices of systems of records. The SSN also will be used for the selection of persons to be included in statistical studies of personnel management matters.
